

## Biography

David Calvert

Born 1954. Diploma in Creative Photography, Trent Polytechnic, 1974. Worked as a photographer for a number of years before returning to study. BSC (Hons.) Chemistry and Geological Sciences, University of Leeds, 1983. Worked for science-teaching equipment suppliers in London and as a research assistant at the Welsh School of Architecture before moving to Germany in 1986. Taught English and started working in translation, initially as the PC specialist with a group of freelance translators. Set up TransForm GmbH with two other partners in 1994. Now the owner and Managing Director of the company, which holds ISO 17100 certification.
