

# XTM Connect Series: Google sheets

**Grant Blackburn**  
Senior Solutions Architect  
XTM International

# Today's Topics

01

## **XTM Connect**

Google Sheets connector.

02

## **Overview of Google Sheets connector**

Easily select content, send it to your XTM account for translation and receive the translated text back into the predefined location.

03

## **Setup and use**

I will show you how to setup and use this quickly and easily for both columns and sheets.
